8. Links

The Service provides, or third parties may provide, links to other World Wide Web or accessible sites, applications or resources. Because Company has no control over such sites, applications and resources, you acknowledge and agree that Company is not responsible for the availability of such external sites, applications or resources, and does not endorse and is not responsible or liable for any content, advertising, products or other materials on or available from such sites or resources. You further acknowledge and agree that Company shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods or services available on or through any such site or resource.

9. Termination and Suspension

Company may terminate or suspend all or part of the Site and/or Services access immediately, without prior notice or liability, if you breach any of the terms or conditions of the Agreement. Upon termination of your access, your right to use the Services will immediately cease. The following provisions of the Agreement survive any termination of this Agreement: INDEMNITY; REPRESENTATIONS, WARRANTIES AND RISKS; LIMITATION ON LIABILITY; OUR PROPRIETARY RIGHTS; LINKS; TERMINATION; NO THIRD-PARTY BENEFICIARIES; ARBITRATION AND CLASS ACTION WAIVER; USE OF SERVICES.

10. No Third-Party Beneficiaries

You agree that, except as otherwise expressly provided in this Agreement, there shall be no third party beneficiaries to the Agreement.

11. Arbitration and Class Action Waiver

11.1 Initial Dispute Resolution

Please read the following section carefully because it requires you to arbitrate certain disputes with the Company and limits the manner in which you can seek relief from the Company.

11.2 Binding Arbitration

Except for disputes in which either party seeks to bring an individual action in small claims court or seeks injunctive or other equitable relief for the alleged unlawful use of copyrights, trademarks, trade names, logos, trade secrets or patents, you and the Company: (a) waive your right to have any and all disputes or claims arising from this Agreement or the Company (collectively, “**Disputes**”) resolved in a court; and (b) waive your right to a jury trial. Instead, you and the Company will arbitrate Disputes through binding arbitration (which is the referral of a Dispute to one or more persons charged with reviewing the Dispute and making a final and binding determination to resolve it, instead of having the Dispute decided by a judge or jury in court).

11.3 No Class Arbitrations, Class Actions or Representative Actions

You and the Company agree that any dispute is personal to you and the Company and that any such dispute will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding. Neither party agrees to class arbitration or to an arbitration in which

individual attempts to resolve a dispute as a representative of another individual or group of individuals. Further, you and the Company agree that a dispute cannot be brought as a class, or other types of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

11.4 Process

You and the Company agree that you will notify each other in writing of any Dispute within thirty (30) days of when it arises so that the parties can attempt, in good faith, to resolve the Dispute informally. Notice to the Company shall be provided by sending an email to info@1step.exchange. Your notice must include: (1) your name, postal address, and email address; (2) a description of the nature or basis of the Dispute; and (3) the specific relief that you are seeking. If you and the Company cannot agree how to resolve the Dispute within thirty (30) days of the Company receiving the notice, either you or Company may, as appropriate pursuant to this Section 11, commence an arbitration proceeding or file a claim in court. You and the Company agree that any arbitration or claim must be commenced or filed within one (1) year after the Dispute arose; otherwise, you and the Company agree that the claim is permanently barred (which means that you will no longer have the right to assert a claim regarding the Dispute).

11.5 Choice of Law

These Terms are governed by and will be construed under the laws of the British Virgin Islands without regard to the conflicts of law provisions of such jurisdiction. Any Dispute under this Terms shall be finally settled by Binding Arbitration (as defined below). Any not resolved Dispute arising out of or in connection with these Terms, shall be referred to and finally resolved by arbitration under the rules of the London Court of International Arbitration (LCIA), which rules are deemed to be incorporated by reference into this Clause 11 to the extent they are consistent with it. Any dispute arising from or relating to the subject matter of these Terms shall be finally settled in London, United Kingdom, in English, in accordance with the LCIA Arbitration Rules.

11.6 Authority of Arbitrator

As limited by this Agreement and applicable arbitration rules, the arbitrator will have: (a) the exclusive authority and jurisdiction to make all procedural and substantive decisions regarding a Dispute; and (b) the authority to grant any remedy that would otherwise be available in court. The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual's claims, preside over any type of class or representative proceeding or preside over any proceeding involving more than one individual.

12. Prohibited Use

You may not use the Service to engage in the following categories of activity ("**Prohibited Uses**"). The specific types of use listed below are representative, but not exhaustive.  - attempt to disable or circumvent any security or access control mechanism of the Site or Services, where applicable;
 - design or assist in designing cheats, exploits, hacks, modes or any other unauthorized third-party software to modify or interfere with the Services, with the exception of automation software and bots, provided that such automation software and bots operate in the ordinary course of using the Services and do not cause disruption or harm to the Services;

- institute, assist or become involved in any type of attack, including distribution of a virus, attacks upon the Services or the Site, that prevent access to or use of any of the above, other attempts to disrupt any of the above, gain unauthorized access to any of the above, or disrupt any other person's use or enjoyment of any of the above;
- attempt to, or harass, abuse, or harm of another person or entity, including our employees and service providers;

- take any action that imposes an unreasonable or disproportionately large load on our infrastructure; or detrimentally interfere with, intercept, or expropriate any system, data, or information.

13. General Information

13.1 Entire Agreement

This Agreement (and any additional terms, rules and conditions of participation that may be posted on the Site) constitute the entire agreement with respect to the Services and supersedes any prior agreements, oral or written. In the event of a conflict between this Agreement and the additional terms, rules and conditions of participation, the latter will prevail over the Agreement to the extent of the conflict.

13.2 Waiver and Severability of the Agreement

The failure of any entity to exercise or enforce any right or provision of the Agreement shall not constitute a waiver of such right or provision. If any provision of the Agreement is found by an arbitrator or court of competent jurisdiction to be invalid, the parties nevertheless agree that the arbitrator or court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the Agreement remain in full force and effect.

13.3 Statute of Limitations

You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to the use of the Services or the Site must be filed within one (1) year after such claim or cause of action arose or be forever barred.

13.4 Section Titles

The section titles in the Agreement are for convenience only and have no legal or contractual effect.
